

Cool Cats Rock 'n' Roll is a fun and flexible dance studio that provides skilled, organised, and targeted dance coaching for a broad variety of 1930's to 1960's 'nostalgia' dance styles (Swing, Rockabilly, Rock 'n' Roll).

With extensive experience dancing, competing, adjudicating, and teaching in WA and across Australia, Cool Cats is working hard to keep Rock 'n' Roll vibrant. We set our targets high to provide the very best for every dancer and to give back the most we can into the Rock 'n' Roll dance community.

Take The Next Step...

At Cool Cats we are dedicated to helping dancers (of all makes, shapes, and sizes) *Take The Next Step* in their dance journey. We understand that for some this will be a social pursuit, while for others it may be a matter of personal achievement, or include active participation as a sport. Consequently, Cool Cats offers a variety of lessons, short courses, and styles that are suitable for dancers of all levels of experience. It is Cool Cats intent that students receive the best possible options and opportunities to expand their dance experience.

Work with our qualified instructors on fundamental dance elements such as mechanics, pressure, timing & harmony or push your boundaries with Triples (1 Guy, 2 Girls), Aerials (lifts, drops, slides), or training for Demonstration and Competition.

Fun with Focus

Cool Cats is focused on providing quality instruction in the method and basis of different Rock 'n' Roll dance styles, preserving the integrity and characterisation of each dance for the future. However, this does not mean that lessons are all work and no play! By having a mix of different class formats, a broad range of styles, and a friendly atmosphere, there is plenty of opportunity for fun:

- Learn to dance fast, slow, and/or anywhere in between ...
- Find a dance style that suits your favourite music - Contemporary, Blues & Rockabilly, Swing, New or Classic Rock 'n' Roll ...
- Dance solely with your partner, participate in group rotation, or choose to do both! Provide feedback in class - or not - it's up to you ...
- Join other Cool Cats for regular dance events and social activities, taking the opportunity to practise what you've learned in class onto the dance floor!
