

# Calendar 2013

The Cool Cats program of courses is structured to provide instruction across the key elements of dancing (mechanics, pressure, timing and harmony) during a 6mth period. Regular workshops are also presented to expand dance skills and experience in areas such as Aerials and Triples Rock 'n' Roll.

The schedule has been organised to ensure that teaching content is delivered, while accommodating professional commitments and holiday periods. However, course content and dates remain subject to change without notice.
